

## **MAX Sports Challenge: Tournament Rules**

Any questions pertaining to the following should be addressed by email to:  
Gary Avedikian at [Gary.Avedikian@maxsportscenter.com](mailto:Gary.Avedikian@maxsportscenter.com)

1. All participants must be players from your last varsity and JV A team rosters.
2. Players just entering school as a senior, junior or sophomore are eligible.
3. No in-coming freshmen are eligible for this tournament.
4. A maximum of 25 may be on the roster that you submit.
5. In case of a drop/add situation for a player(s), the tournament must be notified by email within a month of the start of the tournament. There can be no guarantee of the right size in a tee shirt being available as they are ordered far in advance of the start of the tournament. It is possible to include their player profile on the website but it is not guaranteed that they can be included in the printed program.
6. All uniforms must have a number on the front and back. It may be on the shorts but it has to match the jersey number.
7. Each team must have a light and dark color jersey to wear for each game.
8. The home team will be expected to change its jersey and/or socks if there is a conflict. A home team will be designated prior to the start of the tournament for each game.
9. Each game will be 80 minutes long and all rules will be the national high school federation's suggested rules for high school games.
10. Three officials will be provided whenever possible. If a shortage occurs then two officials will manage the game. No "club linesman" will be allowed.
11. There will be a charge to enter a game of \$1.00 per person. A weekend pass may be purchased at the gate for \$5.00 per person and will only need to be shown at the gate to enter any game.
12. Seminars will be scheduled at each match site. It is an expectation that the coach will schedule his team to attend 2 of the seminars provided in speed and agility, nutrition, unique GK training, sports psychology, recruiting or the referee's clinic. After reviewing your playing schedule, please email your choices and times to [Gary.Avedikian@maxsportscenter.com](mailto:Gary.Avedikian@maxsportscenter.com) so that the proper number of handouts can be available to you and your players at the seminars.
